MEMORANDUM FOR: Capt. J. Clevesy/AV 271-4507  
3428th Technical Training Squadron (ATC)  
Offutt Air Force Base, Nebraska 68113

SUBJECT : Request for NIS maps and information

REFERENCE : Your memorandum, same subject, dated  
19 April 1972

1. Multiple copies of NIS Map 77712 (USSR) have been forwarded to you under separate cover. You will find the comparative area map on the same sheet; the map is not available separately.

2. A copy of Map 500513 has also been sent to you. This page-size map on China is as close to Map 500410 as we have at the size requested. We cannot fill your requirement for page-size maps of inland waterways and railroads for China.

3. You might be interested in learning that our atlas of the People's Republic of China, November 1971, is being reprinted by the Government Printing Office and will be available the latter part of May at \$5.25 per copy. The atlas does contain small scale maps of Chinese inland waterways and railroads. They would not be available separately, of course.
